In exercise of the powers conferred on him under Section 2 of the Passport Ordinance, 1920, the Governor in Council is pleased to make the following Regulations and to rescind the General Passport Regulations published as Notification No. 167 in the Gazette of the 30th January 1920.

1. No person coming from any place outside the Malay Peninsula shall enter the Colony unless he produces a valid passport or a certificate of nationality which has been issued or renewed to him not more than two years before his arrival in the Colony by or on behalf of the Government of the country of which he is a subject or a citizen, and which, in the case of a foreigner arriving from a foreign country, has been issued or vised by a British Consular officer in that country, and in the case of a foreigner arriving from any part of the Dominions, Colonies, Protectorates or Protected States has been issued or vised by some public official thereof duly authorised in that behalf. Such vise will unless otherwise stated be valid for any number of journeys taken within twelve months of the date thereof and will not be required in the case of persons in transit who desire to land temporarily only while their vessel is in port. This clause does not apply to British seaman employed in British ships.

2. Every such passport and certificate of nationality as aforesaid shall state the name and nationality of the person to whom it relates and shall contain a description of the said person and his photograph so affixed as to obviate the possibility of its removal and the substitution of another, and every certificate of nationality shall in addition state the destination of the person, the approximate date of departure, and the port of departure and the name of the vessel in the case of persons travelling by sea.

3. Foreigners arriving from Rhio and its dependencies whose passports do not bear a British vise will be permitted to land at Singapore upon such conditions as the Chief Police Officer may consider desirable.

4. Any person who enters or attempts to enter or is reasonably suspected of having entered or being about to enter the Colony in contravention of these regulations may be taken into custody by any Port Officer or Police Officer and may in the case of a person entering by sea be forcibly returned to the vessel from which he landed or may be forcibly prevented from landing.

5. Any person who enters or attempts to enter the Colony in contravention of these Regulations, and any person having so entered who resists arrest or who refuses to return to the vessel from which he landed when ordered so to do by any Port Officer or Police Officer, and any person who aids or abets any such person in any contravention of these regulations or who knowingly harbours any such person whom he knows or has reasonable grounds for supposing to have acted in contravention of these regulations, shall be guilty of an offence against these regulations.

6. When an alien seamen is under the provisions of these regulations prohibited from landing at any port, the Master Attendant or Harbour Master may, after consultation with the Chief Police Officer, grant him temporary permission to land upon such conditions as he may consider desirable.

7. Any person who—

(*a*) forges, alters, or tampers with any passport or certificate of nationality, whether issued in the Colony or elsewhere, or any vise or endorsement thereon, or without lawful authority uses or has in his possession any such forged, altered or irregular passport or certificate or any pass port or certificate with any such forged, altered or irregular vise or endorsement; or

(*b*) personates or falsely represents himself to be or not to be a person to whom a passport or certificate of nationality whether issued in the Colony or elsewhere, has been duly issued or, with intent to obtain a passport or certificate of nationality or any vise or endorsement thereon, knowingly makes any false statement; or

(*c*) allows any other person to have possession of any passport or certificate of nationality issued for his use alone, or without lawful authority has in his possession any passport or certificate of nationality issued for the use of some person other than himself, shall be guilty of an offence against these Regulations.

8. Any person guilty of an offence against these regulations shall be liable on conviction before a Police Court to imprisonment of either description for a term which may extend to six months or to a fine not exceeding eight hundred and fifty dollars or to both imprisonment and fine.

9. These Regulations shall not apply to any person whose age does not exceed or appear to exceed fifteen years or to any *bona fide* Chinese or Netherlands Indian labourer, and shall in no way affect the Regulations published as Notification No. 440 in Gazette of the 12th March 1920, nor shall anything in these Regulations be construed in diminution of any powers conferred by the Passengers Restriction Ordinance, 1919.
